WAVE

WAVE, ARMONIOSO MOVIMENTO WAVE, EFFETTO FLUTTUANTE

LA MORBIDA INCLINAZIONE DELLE PARETI DI WAVE, ULTIMISSIMA COLLEZIONE DI LAVABI SIMAS, SPOSTA LA PROSPETTIVA CONOSCITIVA DELLE FORME GEOMETRICHE CHE IN UN CONCETTO DI SEMPRE IN MOVIMENTO, PROPRIO COME NELLE ONDE MOSSE DAL VENTO, SI ESPONGONO A CONTAMINAZIONI CONTINUE E CAMBIANO IN DIVENIRE. UNA NUOVA PROSPETTIVA DI DESIGN CHE DISLOCA IL CENTRO DELLA FIGURA, E QUINDI LA FORMA STESSA, CHE VIENE PERCEPITA IN MODO DIFFERENTE, ARRICCHENDONE LA VISIONE PRIMARIA. WAVE SI DISTINGUE PER LO STILE DEFINITO, MORBIDO, DAI TRATTI ESSENZIALI CHE ESPRIMONO UN NUOVO 'CLASSICO NON CONVENZIONALE' DA POTER INSERIRE IN QUALSIASI AMBIENTE. DI FORMA ROTONDA, OVALE, QUADRATA, RETTANGOLARE, DA APPOGGIO O SOSPESO, LA COLLEZIONE DI LAVABI WAVE DISPONE DI 13 NUANZE: BIANCO E NERO LUCIDI, E NELLE FINITURE MATT BIANCO, NERO, ANTRACITE, TELA, CEMENTO, MIRTO, MOKA, PRUGNA, SABBIA, PERVINCA E NAVY. ANCHE CON PILETTE IN CERAMICA COLORATA. LAVABI CHE POSSONO ESSERE SOSTENUTI ANCHE DA UNA DELICATA STRUTTURA DI METALLO NERO, DI SEZIONE ROTONDA, CHE RIPRENDE LA FORMA DEL LAVABO CHE OSPITA. IL DESIGN DELLA STRUTTURA IN METALLO NERO VIENE RIPROPOSTO NEGLI SPECCHI, COORDINATI ALLE FORME DEI VARI LAVABI, E NELLE LAMPADE, DANDO VITA AD UNA SERIE DI COMPLEMENTI CHE COMPLETANO LA COLLEZIONE.

WAVE, HARMONIOUS MOVEMENT WAVE, FLOATING EFFECT

A GENTLE TILT OF THE SIDES IS THE CHARACTERISTIC OF WAVE, THE VERY LAST BORN OF SIMAS WASHBASINS COLLECTIONS. AND THIS CHANGES THE USUAL GEOMETRIC PERSPECTIVE OF SHAPES THAT LIKE THE WAVES MOVED BY THE WIND, RELENTLESSLY CHANGE IN A CONCEPT OF CONTINUOUS MOVEMENT AND PROGRESSIVE TRANSFORMATIONS. A NEW HINT FOR DESIGN THAT MOVING THE CENTER OF THE OBJECT ACTUALLY REDESIGNS ITS SHAPE THAT IS PERCEIVED IN A DIFFERENT WAY, ENRICHING ITS PRIMARY VISION. WAVE DISTINGUISHES ITSELF FOR THE CLEAN STYLE, SMOOTH WITH ESSENTIAL LINES EXPRESSING A NEW UNCONVENTIONAL CLASSIC, MATCHING ANY AMBIENCE. ROUND SHAPES AS WELL AS OVAL, SQUARE, RECTANGULAR, COUNTERTOP AND WALL HUNG THE COLLECTION WAVE OFFERS 13 DIFFERENT COLORS : GLOSSY WHITE AND BLACK AND THE MATTE FINISHES WHITE, BLACK ANTHRACITE, TELA, CEMENTO, MIRTO, MOKA, PRUGNA, SABBIA, PERVINCA AND NAVY. FOR ALL OF THEM THE WASTE IN THE SAME COLORS IS AVAILABLE. WASHBASINS THAT MAY ALSO BE INSTALLED ON DELICATE BLACK METAL FRAMES, WITH ROUND SECTION, RECALLING THE SHAPE OF THE BASIN THAT THEY SUPPORT. THE SAME DESIGN OF FRAMES IS ALSO RECALLED BY MIRRORS MATCHING WITH THE SHAPES OF THE BASINS AND BY THE LAMPS, GIVING BIRTH TO A RANGE OF ACCESSORIES THAT PERFECTLY COMPLETE THE COLLECTION.

FURNITURE

PROJECT FURNITURE 'IN CONTINUUM'

PROGETTO FURNITURE IN CONTINUUM. SI AMPLIA L'OFFERTA FURNITURE DI SIMAS. DUE LE ESSENZE SCELTE, ROVERE BIANCO E ROVERE INVECCHIATO, PER QUESTE INEDITE COMBINAZIONI DOVE LA STRUTTURA IN METALLO NERO, DI SEZIONE QUADRATA, VIENE SVILUPPATA CON RIPIANI IN LEGNO, DA APPOGGIO O SOSPESA, E CORREDATA DA RIPIANI O CASSETTONI, PER ACCOGLIERE ANCHE I LAVABI WAVE.
